

Wednesday, 10 June

8am **Registration desk opens**

9am **Opening Session**

SB-H1

Chaired by: Prof. Göran Lindahl and Prof. Cristiana Caira and Prof. Helle Wijk

9:20am **Keynote: Prof. Roger Ulrich**

SB-H1

The development of EBD and research on healthcare facilities design – a personal perspective

» Roger Ulrich, Ph.D, Professor Emeritus

10:20am **Morning Coffee**

10:50am **Session 1.1: Health and Delivery 1**

SB-L200

Chaired by: Monika Codourey

10:50am

Life Around the Courtyard: Care, Control and Collectivity in the Dutch Almshouses, Past and Present

» [Ms. Jess Chang](#), [Ms. Nienke VanPijkeren](#)

11:05am

Addressing Healthcare Design Challenges in Italy: Integrating Community Hospital Design Support Tools within Design Guidance Documents.

» [Dr. Laura Sacchetti](#), Prof. Roberto Di Giulio

11:20am

From Literature to Lived Experiences: Architectural determinants of Subjective Well-Being in Post-Stroke Rehabilitation

» [Ms. Louise Masciarelli](#), Prof. Ann PETERMANS, Dr. Clémentine Schelings, Prof. Jan Vanrie, Prof. Catherine Elsen

10:50am

Session 1.2: Age and Space 1

SB-L216

Chaired by: Prof. Helle Wijk

10:50am

Transitional spaces as interfaces for emotional recovery: supporting older adults' mental well-being in everyday living environments

» [Mrs. Jingya zhou](#), [Prof. António Carvalho](#)

11:05am

Vision-driven or entrepreneurial-driven eldercare? An exemplary model for Swedish residential care homes revisited

» [Dr. Jonas E. Andersson](#)

11:20am

How Design Can Address the Dualities of Private Renting in Later Life

» Ms. Eva Severens, [Prof. Ruth Stevens](#), Prof. Ann PETERMANS

10:50am

Session 1.3: Design for Care 1

SB-L300

Chaired by: Dr. Grant Mills

10:50am

Infection Prevention in Hospital Design A Program of Requirements of Infection Prevention and Control

» [Prof. margreet vos](#), Dr. Anne Voor in 't holt, Mr. Woutrinus de Groot, Mr. Wim van Vianen, Ms. Astrid Eijkhoff, Dr. Juliette Severin, Ms. Marissa Uljee, Dr. Bibi Mason-Slingerland

11:05am

Physical Environment and Infectious Disease Transmission: The Case of Long-Term Care Facilities for Older Adults

» [Prof. Kentaro Yamaguchi](#), Ms. Rikako Ikenishi

Continued from Wednesday, 10 June			
11:20am	Can Single-Bed Hospital Rooms Be an Evidence-Based Recommendation? Pilot Study For a Toulmin Scheme-Based Review » Dr. Thomas Bonnin	1pm	Designing the Flexible Hospital: The Disconnect between Theory and Practice » Mr. Daniel Ibrahim , Dr. Andrea Brambilla, Prof. Stefano Capolongo
10:50am	Session 1.4: Design for Care/Age and Space/New Perspectives <i>SB-L316</i> Chaired by: Prof. Morgan Andersson	1:15pm	Orchestrating Healthcare Infrastructure: A Macro-Meso-Micro Framework for Comparing Country Institutions » Dr. Grant Mills , Prof. Jonathan Erskine, Mr. Michele Dolcini
10:50am	An Integral Co-Design Approach to transform outdated Living Environments » Dr. Elke Miedema , Ms. Femke Feenstra , Ms. Froukje van de Klundert , Ms. Clementine Mol , Ms. Rozemarijn Peeters , Ms. Tess Maas , Ms. Laura Koenen , Ms. Jade Kuijper	1:30pm	100% Single-occupancy rooms and the use of communal spaces in hospital wards: is new guidance needed? » Ms. Isabel Sanchez Gamez , Dr. Liesbeth van Heel, Dr. Peter Lanbeck
11:05am	A co-design process with children to promote well-being through an adaptive learning environment » Dr. elena bellini , Prof. Nicoletta Setola	1pm	Session 2.2: New Perspectives 1 <i>SB-L216</i> Chaired by: Dr. Marie Strid
11:20am	The Human Perspective – design lessons drawn from the human experience of spaces that stress and spaces that calm » Mrs. Tara Veldman	1pm	TNFD as a Strategic Framework for Nature-Positive Hospital Buildings: Biodiversity, Resilience and Healing Architecture » Ms. Hannah-Kathrin Viergutz
10:50am	Session 1.5: WORKSHOP: Next Generation healthscapes <i>SB M415</i> Chaired by: Jonas Borell and Henrik Loodin	1:15pm	An Architectural Affordance-Oriented Inquiry into Teacher Spatial Literacy and Agency in Classroom Environments » Prof. Ruth Stevens
12pm	Lunch	1:30pm	Practice-Based Research in Spanish Architectural Firms » Ms. Agostina Ferrentino , Ms. Clara Rius , Mr. Ramon Torrents, Dr. Laura Cambra Rufino
1pm	Session 2.1: Health and delivery 2 <i>SB-L200</i> Chaired by: Prof. Christine Räisänen	1pm	Session 2.3: Practice Papers 1 <i>SB-L316</i> Chaired by: Dr. Elke Miedema
		1pm	How Green Spaces Support Human Restoration – Universal Design Considerations; » Ms. Sandra Schwarz
		1:15pm	Humane Architecture » Mrs. Andrea Möhn

Continued from **Wednesday, 10 June**

1:30pm **Standards, Guidelines, and the Spaces Between: How the UK and Sweden Shape Hospital Design**
 » Ms. Lienelle Geldenhuys, [Ms. Ana Grgurac](#), [Ms. Lin Tan](#), Prof. Cristiana Caira

1pm **Session 2.4 WORKSHOP: Your Message to the Healthcare Community: A Reflective Practice Lab**
SB M415
 Chaired by: Dr. Alyson Walker and Dr. Emma Stockton

2:10pm **Poster Pitch**
SB-H1
 Chaired by: Prof. Cristiana Caira

2:10pm **Reframing the WHO Age-Friendly Environments Framework as midrange theory for health architecture: home-based stroke rehabilitation as an exemplar**
 » [Dr. Maya Kylén](#), Mrs. Laila de Vries, Dr. H el ene Pessah-Rasmussen, Dr. Tony Svensson, Dr. Jodi Sturge, Dr. Ruby Lipson-Smith, Dr. Steven M. Schmidt, Prof. Marie Elf

2:13pm **Participatory concept mapping as a tool for architectural planning in community-based rehabilitation: a stroke case study**
 » [Prof. Marie Elf](#), Dr. Ruby Lipson-Smith, Dr. Frida Smith, Mrs. Laila de Vries, Dr. H el ene Pessah-Rasmussen, Dr. Maya Kyl en

2:16pm **Hospital-at-Home and the Built Environment: Insights from a Review of Reviews**
 » [Dr. Susanna Nordin](#), Dr. Jodi Sturge, Dr. Christian Wrede, Dr. Dara Rasoal, Dr. Maya Kyl en, Dr. Nirit Putievsky Pilosof

2:19pm **Architecture for Mental Health: Strategies for Calm, Nature-Connected Psychiatric Care Environments**
 » [Ms. Oana Dumitrache](#), Ms. Maria Elander

2:22pm **The Pre-Entry Environment and Its Role in Shaping the Hospital Arrival Experience**
 » [Ms. Clara Rius](#), [Ms. Agostina Ferrentino](#), Mr. Ramon Torrents

2:25pm **Does Location Matter? Exploring outdoor environments of residential care facilities for older adults along an urban-rural gradient in Sweden**
 » [Mrs. Helene Landin](#)

2:28pm **Human-Centered Environments Lab (HCEL): Research on health and comfort in the built environment, illustrated through student-led projects**
 » [Dr. Maaja Kevdzija](#), Dr. Milica Vujovic

2:31pm **A Human-Centered Design Approach in Healthcare Facilities: The Case of Maggie's Centres**
 » [Dr. Marina Tonolo](#)

2:34pm **Instrument development and initial validation of a questionnaire assessing employees' perspectives on activity based working in a mental healthcare facility**
 » [Dr. Anneli Schwarz](#), Dr. Melina Forooraghi, Dr. Sepideh Olausson, Prof. Cristiana Caira, Prof. Stefan Nilsson, Ms. Linnea Ludvigsson, Mrs. Elena Exner, Dr. Maral Babapour Chafi

2:37pm **Building Blocks: Empowering Clinicians to Shape Healthcare Infrastructure**
 » [Dr. Emma Stockton](#), [Ms. Clare Simcock](#), [Dr. Alyson Walker](#), Mrs. Jennifer Whinnett, Dr. Liz Whelan, Dr. Tom Best, Mr. Marc Levinson

2:40pm **Transitioning to Activity-Based Care: Experiences of Task-Environment Alignment Across Healthcare Professionals**
 » [Dr. Melina Forooraghi](#), Prof. Ingibj org Jonsdottir, Dr. Maral Babapour Chafi

2:43pm **House Of Birth - Reframing Hospital Birth: A Design Proposal for Maternity Care at S odersjukhuset**
 » [Ms. Sanne Segerstr om](#)

Continued from **Wednesday, 10 June**

- 2:46pm **From Isolation to Healing: Patient-Centered Design and Staff Safety in Emergency Infectious Disease Response**
» [Mr. Kyle Basilius](#), [Ms. MELINDA LOBO](#)
- 2:49pm **Quw'utsun Valley Hospital / Quw'utsun Hulitan-ew't-hw: Culturally Aligned, Therapeutic Design for Dignity and Resilience in Mental Health**
» [Ms. MELINDA LOBO](#), [Mr. Kyle Basilius](#), [Ms. Corrine Pettigrew](#)
- 2:52pm **Workshops for Staff in the Design Process of Elderly Care Facilities: Can Staff Act as Proxies for Users?**
» [Mr. Atuhiro Kato](#), [Prof. Kentaro Yamaguchi](#), [Ms. Rikako Ikenishi](#)
- 2:55pm **Visitation Restrictions in Long-Term Care Facilities in Japan: Findings from a National Survey Conducted Between 2020 and 2024**
» [Ms. Rikako Ikenishi](#), [Prof. Kentaro Yamaguchi](#)
- 2:58pm **Psychologically Accessible Safehouse for Suicidal People**
» [Ms. Sofia Juntunen](#)
- 3:01pm **Evidence-Based Design for Outdoor Environments in Healthcare. A Case Study of a Memory Clinic Rooftop Garden for People Living with Dementia and Healthcare Professionals**
» [Ms. Nina Oher](#)
- 3:04pm **Can a true fusion between architects and care practitioners be achieved? The insights that Japan's largest architectural design firm gains from observing the home care-based palliative care clinic.**
» [Ms. Satoko Fujioka](#)
- 3:07pm **Operationalizing Urban Health Evidence at Street Level: The U-CARE Platform as a Methodological Interface for Pedestrian-Focused Planning**
» [Mr. Alvaro Valera Sosa](#), [Prof. Göran Lindahl](#)

3:10pm **Iterative Simulation-based Evaluation of Standardized Patient Rooms: A Case Study across Multiple Care Contexts**
» [Ms. Rahel Inauen](#), [Ms. Emma Nadol](#), [Dr. Linda Ficco](#), [Mr. David Wollschlegel](#), [Dr. Minou Afzali](#)

3:13pm **TEST-ED: Testing Emergency Spaces Through Evidence-Based Design**
» [Ms. Emma Nadol](#), [Ms. Rahel Inauen](#), [Dr. Linda Ficco](#), [Mr. David Wollschlegel](#), [Dr. Minou Afzali](#)

3:16pm **Central Hospital in Karlstad, Sweden: A new paradigm for flexibility and generality**
» [Prof. Cristiana Cairra](#), [Ms. Lin Tan](#)

3:19pm **Post-occupancy study Värnamo Operation and ICU**
» [Mr. Anders Medin](#)

3:20pm **Coffee break at posters**

3:50pm **Study Visit Transportation, Meet-Up in Reception**
Reception

4pm **Urban Care Walk: Sahlgrenska University Hospital, with a possible continuation into the Botanical Garden**
Chaired by: [Mr. Alvaro Valera Sosa](#)

4:30pm **Study Visit 1: Queen Silvia's Childrens hospital Visit 1**

4:30pm **Study Visit 2: Högsbo Community Hospital**

4:30pm **Study Visit 3: Nötkärnan Primary Care**

Continued from Wednesday, 10 June	
4:30pm	Study Visit 4: Carlanderska Hospital
4:30pm	Study Visit 5: Östra Psychiatric Clinic
5pm	Study Visit 6: Rågårdens Forensic Clinic

Thursday, 11 June	
9am	Keynote: Prof. Susanne Iwarsson <i>SB-H1</i>
	On housing, ageing and health: The dwelling as a home and an arena for care » Susanne Iwarsson, Ph.D, Professor in gerontology and care for older people
9:40am	Coffee Break
10:10am	Session 3.1: Age and Space 2 <i>SB-L200</i> Chaired by: Prof. Helle Wijk

10:10am	The usability of common spaces in collective housing and care for elderly – normative and relational aspects » Prof. Morgan Andersson
10:25am	Residential Environments and Healthy Ageing: The Fit Between Homes and Diverse Ageing Trajectories » Ms. Valériane Tannoia , Ms. Maëlle Scouvemont, Prof. Stéphane Adam, Dr. Gwendoline Schaff, Dr. Christina Schmidt, Dr. Nikita Belyi, Prof. Olivier Bruyère, Dr. Charlotte Dautremont, Prof. Catherine Elsen
10:40am	Outing Behavior of Wheelchair Users Using Public Transportation: A Process-Based Analysis of Mobility Time, Events, and Barriers » Prof. Ruka Kosuge , Ms. Shimada Mami, Mr. Sakurai Toshiki, Dr. Yamaguchi Jun
10:10am	Session 3.2: New Perspectives 2 <i>SB-L216</i> Chaired by: Ms. Nina Oher
10:10am	New Ideas from an Art-Science Exploration of Biophilic Evidence-Based Design » Dr. CARMEN GARCIA SANCHEZ
10:25am	Designing for Wellbeing and Inclusion through Research by Design: methodological lessons learned from practice » Dr. Elke Ielegems , Prof. Ruth Stevens , Dr. Micheline Phlix, Prof. Ann PETERMANS
10:40am	Bridging Research and Practice: A Digital Knowledge Platform for Implementing Education on Outdoor Environments and Health » Dr. Madeleine Liljegren , Mrs. Kateryna Fursa, Dr. Susanna Nordin, Dr. Anna Bengtsson
10:10am	Session 3.3: Design for Care 2 <i>SB-L300</i> Chaired by: Prof. Jonathan Erskine

Continued from **Thursday, 11 June**

10:10am **Assessing the impact of simulations in healthcare planning: State of the art and new directions**
 » [Dr. Linda Ficco](#), [Mr. David Wollschlegel](#), Ms. Emma Nadol, Ms. Rahel Inauen, Dr. Minou Afzali

10:25am **Integrating findings from multiple disciplines into a persona-set: insights from research with families affected by childhood stroke**
 » Dr. Pleuntje Jellema, [Dr. Maja Kevdzija](#), Ms. Lena Fuchs, Ms. Birgit Moser, Ms. Anne-Sophie Schoss, Dr. Piet Tutenel, Dr. Lisa Bartha-Doering, Dr. Andrea Jelić, Ms. Anna Franziska Kalhorn, Dr. Gesine Marquardt, Ms. Sophie Mandl, Dr. Anna-Theresa Renner, Dr. Ann Heylighen

10:40am **Kic'ó: Messengers of Heritage and Living Memory in Reimagining a Community Hospital**
 » Dr. Jordan Zignego, [Mr. Jeffrey Lee](#), Mr. Timothy Dubler, [Dr. Elizabeth Johnson](#)

10:10am **Session 3.4: Society and health for all 1**
SB-L316
 Chaired by: Anjali Joseph

10:10am **Co-creating Healthy Public Space through Digitally Enhanced Community-led Intervention in Indonesia**
 » [Ms. Meriky Lo](#), Dr. Manfredo Manfredini, Dr. Burkhard Wünsche, Mr. Benjamin Hume, Mr. Quaid Sage

10:25am **Data-driven software for assessing the availability of health services in ageing 15-minute neighbourhoods**
 » [Dr. Agnieszka Ptak-Wojciechowska](#), [Prof. Agata Gawlak](#), Prof. Jerzy Stefanowski, Mr. Jerzy Weber

10:40am **Designing with Caring Communities: Relational Infrastructures for Urban Health and Wellbeing**
 » [Ms. Nienke VanPijkeren](#), Prof. Valentijn Visch, Prof. Ingrid Mulder

10:10am **Session 3.5: Practice Papers 2**
SB M415
 Chaired by: Prof. Cristiana Caira

10:10am **Cultural Variation in Operating Room Design**
 » [Mr. Mike Apple](#), [Mr. Alejandro Iriarte](#), Ms. Sally Whiteley, Ms. Naz Niamir, Ms. Tenny Vasilyan

10:25am **Outdoor rehabilitation for Everyone at Unicare Bakke**
 » [Mrs. Lotta Lundmark Alfredsson](#), Mrs. Anna Apelman

10:40am **The inclusive and biophilic public spaces of the new Salus Pueri Children's Hospital to promote well-being of young patients and their families**
 » [Dr. elena bellini](#)

11:20am **Healthcare Design: Perspectives from Industry**
SB-H1
 Chaired by: Prof. Cristiana Caira and Prof. Helle Wijk

12pm **Lunch**

1pm **Session 4.1: Design for Care 3**
SB-L200
 Chaired by: Dr. Grant Mills

1pm **Beyond Safety: Assessing Architectural Adequacies and the Integration of Trauma-Informed Design (TiD) to Women's Shelters in Turkey**
 » [Mr. Tolgahan Bardakci](#), Dr. A.Derin İnan

1:15pm **Beyond Seclusion: Safety Units in Finnish Psychiatric Hospitals**
 » [Ms. Natalia Batrakova](#)

Continued from **Thursday, 11 June**

1:30pm **Architectural Configurations and Design Elements Required for Supporting Challenging Behavior: Case Studies of Group Homes in Japan**

» [Dr. Yuko Kando](#), Prof. Yuji MATSUDA

1pm **Session 4.2: Age and Space 3**

SB-L216

Chaired by: Dr. Gesine Marquardt

1pm **Adapting Homes as Infrastructures of Care: A Digital Collaborative Framework for Aging-in-Place**

» [Dr. Federica Romagnoli](#), Prof. Teresa Villani, Prof. Tiziana Ferrante

1:15pm **Enhancing Outdoor Activity Motivation Among Independent Living Older Adults Through Window Views: A Research Protocol**

» [Ms. Pakwan Roopkaew](#), Dr. Evangelia Chryssikou, Prof. Aeli Roberts

1:30pm **Mapping Diversity in Housing for Older Adults: Developing a Taxonomy of Spatial and Social Sharing**

» [Dr. Elke ielegems](#), Prof. Ann PETERMANS, Prof. An-Sofie Smetcoren

1pm **Session 4.3: Design for Care 4**

SB-L300

Chaired by: Dr. Elke Miedema

1pm **Maximising Patient and Staff Safety and Comfort in the Operating Suite.**

» [Dr. Anne Symons](#), Prof. Ian Eames, Dr. Grant Mills, Dr. Jonathan Groome, Mrs. Jennifer Whinnett

1:15pm **Comparative analysis of Polish and Swedish EDs - identifying similarities for the development of common design guidelines.**

» [Ms. Julia Zieleniewska](#), Prof. Ewa Pruszeicz-Sipińska

1:30pm **Examining Supportive Design in NHS Hospitals: Psychological Processes and Wellbeing Outcomes for Patients and Staff**

» [Dr. Sadhana Jagannath](#)

1pm **Session 4.4: Practice Papers 3**

SB-L316

Chaired by: Prof. Christine Räisänen

1pm **Health-promoting waiting spaces in Casa della Comunità Le Piagge in Florence**

» [Dr. elena bellini](#), Prof. Nicoletta Setola

1:15pm **Redesigning the Psychiatric Emergency Unit through the Principles of the EMPATH Model: A Case Study of the Hospital Universitari Germans Trias i Pujol**

» [Ms. Clara Rius](#), [Ms. Agostina Ferrentino](#), Mr. Ramon Torrents, Ms. Sara Castany, Dr. Jorge Cuevas Esteban, Dr. Laura Vargas Puertolas

1:30pm **Analysis of Space Usage and Nurse Walking Distance in Acute Care Inpatient Units**

» [Mr. Mike Apple](#), Ms. Nisha Patil, Ms. Bei Chu

1pm **Session 4.5: WORKSHOP: Evaluating Design Impacts on Wellbeing in a New Care Facility, Nordanstig**

SB M415

Chaired by: Shelley James

2:10pm **Session 5.1: Design for Care 5**

SB-L200

Chaired by: Prof. Marie Elf

2:10pm **Emotionally Supportive Architecture: Spatial Strategies for Emotion Regulation in Stroke-affected Children and Implications for Design**

» [Ms. Birgit Moser](#), Prof. Christian Kühn, Dr. Maja Kevdzija

Continued from **Thursday, 11 June**

- 2:25pm **Challenges of Housing for Children Requiring Medical Care in Japan: Stress Experienced by Family Caregivers**
 » Prof. Yuji MATSUDA, Mr. Ryohei NISHIMURA, Dr. Yuko Kando, Dr. Akira NISHIMURA, Ms. Eri OHIZUMI
- 2:40pm **Walking Alongside Healthcare Professionals: Investigating Spatial Needs in Healthcare Facilities for Children with Stroke**
 » Ms. Anne-Sophie Schoss, Ms. Birgit Moser, Dr. Gesine Marquardt, Dr. Maja Kevdzija
- 2:10pm **Session 5.2: Age and Space 4**
 SB-L216
 Chaired by: Mr. Alvaro Valera Sosa
- 2:10pm **User Experiences of Purposefully Designed Hospital Therapeutic Rooftop Gardens: a Mixed-methods Post-occupancy Evaluation**
 » Dr. Liesbeth van Heel, Mr. Jasper Ernst, Dr. Deirdre Casella, Dr. Clarine van Oel
- 2:25pm **Governing Daily Outdoor Stays for Older Adults in Residential Care Facilities: A Practical Roadmap**
 » Dr. Madeleine Liljegren, Dr. Melanie Velde-van Buuringen, Dr. Erja Rappe, Dr. Monique Caljouw, Dr. Susanna Nordin
- 2:40pm **How Recognition Initiatives Amplify Innovative Care Environments: From Rural Farm to National Model**
 » Mrs. Birgitta Wilén, Mrs. Marie Svensson
- 2:10pm **Session 5.3: Design for Care 6**
 SB-L300
 Chaired by: Dr. Anne Hagerup

- 2:10pm **The importance of view out for nurses' well-being: insights from a national survey and a hospital case study**
 » Ms. Ludmila Cardoso Fagundes Mendes, Dr. Roberta Vieira Gonçalves de Souza, Dr. Natalia Sokol, Mr. Raphael Pais, Mrs. Sofia Moreira
- 2:25pm **A Meta-Synthesis Study on the Concept of Home in the Design of Birth Rooms**
 » Ms. Ida Rafiee, Dr. Masoumeh Nazarian, Prof. Andrew Price, Dr. Hamidreza Esmaeilloo, Dr. Nahid Bahrami
- 2:40pm **Wood material in new Norwegian hospitals, exploring decision basis through content analysis on public documents of the case project of "Nye Aker sykehus"**
 » Ms. Hanne Sofie Stokkenes, Ms. Gabrielle Bergh, Mr. Ulf Rydningen
- 2:10pm **Session 5.4: Health and delivery 3**
 SB-L316
 Chaired by: Prof. Jonathan Erskine
- 2:10pm **Designing for Health Quality: Toward Rigorous Evidence in Healthcare Architecture Research**
 » Dr. Evangelia Chryssikou, Prof. Paul Barach
- 2:25pm **Adaptive reuse of health care buildings. Three case studies**
 » Dr. Ira Verma, Prof. Pirjo Sanaksenaho
- 2:40pm **Diagnostic Hub Sequence Intelligibility: Building an Evidence Base for the Design of Outpatient Clinics**
 » Dr. Grant Mills, Dr. Anne Symons
- 3:10pm **Coffee Break**
- 3:40pm **The health of Healthcare Design Research**
 SB-H1
 Chaired by: Prof. Göran Lindahl and Prof. Dr. Wolfgang Sunder

Continued from **Thursday, 11 June**

6:30pm **Conference dinner**
MS Kungsö

Friday, 12 June

9am **Keynote: Prof. Anjali Joseph**
SB-H1

Designing for safety: A human-centered systems approach

» Anjali Joseph, Ph.D., Spartanburg Regional Healthcare System Endowed Chair in Architecture+Health Design, Director, Center for Health Facilities Design and Testing

9:40am **Coffee break**

10:10am **Session 6.1: Design for Care 7**
SB-L200

Chaired by: Dr. Gesine Marquardt

10:10am **Impactful Urban Ambiances: the influence of the built environment on psychological well-being - an analysis in Manaíra, João Pessoa, Brazil**

» [Mrs. Karla Victória Nunes da Silva](#), Dr. Julieta Maria de Vasconcelos Leite

10:25am **Design as a Practice of Care: Pedagogies for Climate Resilience**

» [Prof. Claire Napawan](#), [Prof. Haven Kiers](#)

10:40am **Water Features in Healthcare Facilities: from Biophilic Design to Nature-Based Solutions**

» [Dr. Laura Sacchetti](#), Prof. Nicoletta Setola

10:10am **Session 6.2: New perspectives 3**

SB-L216

Chaired by: Prof. Paul Barach

10:10am **Open to the neighbourhood, closed for a resident? Unravelling ethical challenges through a longitudinal case study at a residential care facility**

» [Ms. Cézanne Watthy](#), Prof. Els De Vos, Prof. Margo Annemans

10:25am **Mapping Sustainability Certification Systems for Hospitals: A Comparative Framework for Decision-Making in Germany**

» [Ms. Hannah-Kathrin Viergutz](#)

10:40am **Perceptions of research in the profession of healthcare architecture**

» [Ms. Melissa Piatkowski](#), Prof. Åshild Lappegard Hauge

10:10am **Session 6.3: Design for care 8**

SB-L300

Chaired by: Dr. Marie Strid

10:10am **Psychologically Accessible? Identifying Architectural Factors of Building Design Affecting Mental Health and Suicidal Behaviour**

» [Ms. Sofia Juntunen](#), Prof. Laura Arpiainen

10:25am **Designing Fear-Resilient Healthcare Environments: Insights from Patient Experiences**

» Ms. Marziyeh Shojakhani, [Dr. Masoumeh Nazarian](#), Ms. Atieh Astanbous, Prof. Ahmad Ekhlasi

10:40am **Physiologically Aware Lighting for Ageing in Place: Exploring mm-Wave Radar Sensing for Embedded Health Support in Residential Environments**

» [Ms. Elham Rastegari](#), Dr. Bruce Ferwerda, [Prof. Myriam Aries](#), Dr. RatnaKala Sithravel

Continued from Friday, 12 June			
10:10am	Session 6.4: Society and Health for all 2 <i>SB-L316</i> Chaired by: Dr. Anna Bengtsson	11:20am	Closing Session <i>SB-H1</i>
10:10am	Light or to Lie? The Evolution of Antidepressant Architecture » Ms. Sofia Souvatzoglou , Dr. Antonio Cantero, Dr. Vincent Baptist, Prof. Nathalie De Vries	12pm	Lunch
10:25am	Walk & Connect: methodological approach to understanding older citizens experience of walkability and social engagement » Dr. Lusi Morhayim , Prof. Muki Haklay, Dr. Barbara Balocating Dunn, Prof. Jennifer Mindell, Dr. Rachel Frost, Prof. Nick Tyler	12:50pm	Study Visit 7 & 8 transportation, Meet-up in reception
10:40am	UrbanCare Ecosystem Indicators: A Multi-scale, Street-centered Evidence Framework for Supporting Urban Health-oriented Planning and Design » Mr. Alvaro Valera Sosa , Dr. Ilaria Geddes, Mrs. Antonia Sore, Dr. Rosa Romano, Prof. Göran Lindahl	1:30pm	Study Visit 7: Queen Silvia's Childrens hospital Visit 2
10:10am	Session 6.5: Practice Papers 4 <i>SB M415</i> Chaired by: Mr. Mike Apple	1:30pm	Study Visit 8: Östra Psychiatric clinic Visit 2
10:10am	Building a healthy, future-proof living environment » Ms. Froukje van de Klundert , Mrs. Marianne Lefever, Mr. Tom Kolnaar, Mr. Lucas van der Velden	1:30pm	Digital Project Presentation: Östra Women's Clinic <i>SB-L200</i> Chaired by: Ms. Oana Dumitrache and Patrik Signert
10:25am	Integrating Architecture, Sustainability, and Care: A Guideline-Based Approach at Östra Hospital » Mr. Anders Nilsson , Ms. Oana Dumitrache, Mr. Ebba Barkfors	1:30pm	Digital Project Presentation: Sahlgrenska Life <i>SB-L216</i> Chaired by: Sara Hulthen
10:40am	Designing Community Healthcare through flexibility and participation: adaptive architectural processes for Italy's Case della Comunità » Dr. Eletta Naldi	1:30pm	Digital Project Presentation: Children and adolescent mental health Clinic at Östra <i>SB-L300</i> Chaired by: Malin Kadesjö
