

# Welcome to Graphene Week!

Welcome to Europe's leading and longest-running event on 2D Materials. The 19th edition of Graphene Week unites over 500 international experts and students around a unique programme including: the Innovation Forum, the Exhibition, sessions on diversity, early career development, EC future opportunities, 2DM for the future and much more.

## Why Graphene Week?

- A powerful platform to advance 2DM development.
- Latest news and business opportunities.
- Lifelong connections.

[Get to know more about Graphene Week!](#)

# What to Expect?

- Meet the graphene and 2DM enthusiasts: the right people in the right place
- Inspiration: leading edge fundamental and applied science research on graphene and 2DM
- Europe in the lead: success stories and future opportunities
- Join a dedicated programme for the industry

The company will provide the roll-up and video for projection (single opportunity). Please contact us for further details.)	€ 2000

# Venue

Modern Technology and Design Meet Green Innovation. Cubex Center Prague was built in 2018 and inspired by Czech Cubism. It is therefore, filled with sharp edges, clean lines and openwork surfaces giving the whole space a modern and unique impression.

It is located in the Trimaran building, which holds the prestigious **LEED Platinum** certificate, guaranteeing high energy and operational efficiency. The venue is also centrally located and easily accessible, with accommodations just outside the door.
