

# Graphene Flagship Events Policy

**At the Graphene Flagship we take your privacy seriously and want you to understand clearly how we will use the personal data you supply when registering to attend an event.**

## **General Conditions**

- By registering you confirm your participation as a delegate from one of the attendees' categories and that you will not knowingly allow access to the event to anyone outside this community.
- All delegates are urged to take personal travel insurance.
- The organizer cannot be held liable for any hindrance or disruption of the Event proceedings arising from political, social or economic events or any other unforeseen incidents beyond their control.
- Delegates commit to not causing any nuisance or inconvenience during the Event.
- The Graphene Flagship organizers will not be liable for any theft or damage to property and/or persons caused on site during the Event.

## **Code of Conduct**

All participants are expected to:

- Be inclusive, considerate, respectful, and collaborative.
- Refrain from intimidating, discriminatory, harassing, or demeaning behavior.
- Inform the event organizer if they notice someone in distress.

## **Data Privacy Statement**

- The delegate confirms having read the Graphene Flagship policy on GDPR, and agrees that her/his personal information entered will be stored and used for the purpose of the Graphene Flagship Event. By registering to a Graphene Flagship Event, the delegate also agrees with the event policy for photography, recording and video presentations. If the delegate does not wish for pictures of her/him to be used by the Graphene Flagship, the delegate must contact [event@graphene-flagship.eu](mailto:event@graphene-flagship.eu), no later than two weeks before the event.

## **The Conference Policy**

- By attending a Graphene Flagship event, the delegate acknowledges and agrees to granting the Graphene Flagship the right to record, film, photograph, and to distribute, broadcast, use, or otherwise disseminate such media without any further approval or any payment. This grant includes, but is not limited to, the right to edit such media, the right to use the media alone or together with other information, and the right to allow others to use or disseminate the media.
- Audio and video recording of conference sessions: An official Graphene Flagship film team will be taking films and photographs and publishing in social media. Any further video or audio recordings of a Graphene Flagship event session, carried out by delegates, is strictly prohibited.
