

The 3rd Nordic-Baltic Conduction System Pacing Summit

May 20, 2026

Invitation to Sponsor

Welcome to the 3rd Nordic-Baltic Conduction System Pacing Summit 2026!

This is the third time the summit is being held, and the first time it takes place in Gothenburg, Sweden. The event rotates between the Nordic-Baltic countries and focuses on physiological pacing.

The Summit is for electrophysiologists, cardiologists and allied personnel with an interest in pacemaker treatment.

We hope to see you there!
