Preliminary Scientific Program

NICC 2025

19-21 January Copenhagen, Denmark

Nordic Invasive Cardiology Conference

11th Nordic Invasive Cardiology Conference Program 2025 (Preliminary program)

### Program for Young Cardiologists "Pre-registration is required Moderators: Lars Gregora Nepper-Christinese, Trools Registration is required Moderators: Lars Gregora Nepper-Christinese, Trools Registration is required Lecture room: CPH Hotel ### Rool 16 05	Sunday January 19th				
Moderators. Lars Grogers Nepper-Christensen. Troels Registration Lecture room: CPH Hotel 16:00-16:05 Introduction 16:05-16:35 Invasive assessment of ischemia and indication for PCI; Thomas Engstration 16:05-16:35 PCI treatment with focus on wires, balloons etc.; Hans-Henrik Tilsted 16:00-17:00 COFFEE BREAK 17:00-17:30 Casses: Mechanical Circulatory Support Devices for the treatment of cardiogenic shock; Lene Holmwang 18:00-18:10 COFFEE BREAK 18:00-18:00 TAVI indication in 2025 including the low risk patient; Troels Jargensen Monday January 20th 8:00-20:00 Welcome Reception **Not included in the conference fee. Open to all delegates, but pre-registration is required **Monday January 20th 8:00-20:00 Registration Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to the conference fee. Open to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to the conference fee. Open to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to the conference fee. Open to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to the conference fee. Open to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to the conference fee. Open to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to the conference fee. Open to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to all delegates, but pre-registration is required **Lecture room: Skt. Hans Torv 00:00-00:10 Quently Command to all delegates, but pre-registration is required **Lecture room: Skt. Hans To	15.00-	Registration will open for all delegates			
10.90-10.30 Invasive assessment of ischemia and indication for PCI; Thomas Engstrem 10.95-10.50 PCI treatment with focus on wires, balloons etc.; Hans-Henrik Tilisted 10.90-17.30 Cases: How to manage complications; Karsten Velen 17.30-18.00 Cases: How to manage complications; Karsten Velen 17.30-18.00 Cases: How to manage complications; Karsten Velen 18.00-18.00 TaVI indication in 2025 including the low risk patient; Troels Jergensen 18.00-20.00 Welcome Reception *Not included in the conference fee. Open to all delegates, but pre-registration is required		Moderators: Lars Gregers Nepper-Christensen, Troels Hoejsgaard Joergensen, Yama Fakhri, Karsten Veien			
18.35-16.50 PCI treatment with focus on wires, balloons etc.; Hans-Henrik Tilsted 18.50-17.00 COFFEE BREAK 17.00-17.30 Cases: How to manage complications; Karsten Velen 17.30-18.00 Cases: How to manage complications; Karsten Velen 18.00-18.00 CASES: How to manage complications; Karsten Velen 18.00-18.00 CASES: How to manage complications; Karsten Velen 18.00-18.00 TAVI indication in 2025 including the low risk patient; Troets Jargensen Monday January 20th Registration Lecture room: Skt. Hans Torv Poening and welcome Registration Lecture room: Skt. Hans Torv Opening and welcome Registration Lecture room: Skt. Hans Tory Opening and welcome Registration Lecture room: Skt. Hans Tory Opening and welcome Registration Compared tractaclified lesions 2025? Orbital atherectomy, Rotablation, Lithotripsy, Cutting/Scoring Balloon or High pressure balloon? Ockar Angerds 10.20-11.00 COFFEE PEXHIBITION Plenary Session Latest Nordic clinical trials in cardiology: - DanGer-Shock - Jacob Eller Maller - Notion 2 - One De Balcier - Notion 2 - One De Balcier - Notion 3 - Jacob Lenborg Latest Nordic clinical trials in cardiology: - DanGer-Shock - Jacob Eller Maller - Notion 2 - One De Balcier - Notion 3 - Jacob Lenborg Latest Nordic clinical trials in cardiology: - DanGer-Shock - Jacob Eller Maller - Notion 3 - Jacob Lenborg Latest Nordic clinical trials in cardiology: - Notion 3 - Jacob Lenborg Linch / EXHIBITION Plenary Session How to use of in Cath Lab Moderators Nicolegi Stoettrup, Ole de Backer and Christ Berge 13.20-13.40 Cff for coronary interventions - Christ Berge 14.00-14.20 How is CT used in the Nordic countries - Christ Berge	16.00-16.05	Introduction

11th Nordic Invasive Cardiology Conference Program 2025 (Preliminary program)

	Parallel sessions					
	Lecture room: Skt. Hans Torv		Lecture room: Nørrebros Runddel			
14.40-15.40	Pulmonary Embolism Moderators: Asger Andersen, Lene Holmvang	14.40-15.40	Nurse Session Controversies Moderators: Pernille Palm, Lene Moody			
	Patient selection for catheter directed therapy Troels Yndigegn		Welcome Stine Ringstrøm & Sofie Fahler Garre			
	How to navigate in the pulmonary arteries? An interventionalists guide to anatomy of pulmonary vessels		Mobilization post TAVI, same day discharge Tina Larsen			
	Asger Andersen Case: Mechanical Thrombectomy Nicolaj Støttrup		Pulmonary Embolism Trombectomy, Nursing Exellence with Fundamentals of Care Bente Mogensen/Lotte Andersen			
	Case: Catheter based thrombolysis Lene Holmvang		Developing new patient pathways for lymphatic interventions			
	Lyse or extract? - catheter directed lysis versus embolectomy. Focus on PEERLESS, STRATIFY AND Betula trials Asger Andersen		Marie Østervang Villumsen			
	Future directions for Catheter directed therapies in acute pulmonary embolism. Short presentation of ongoing studies. <i>TBA</i>					
	Panel discussion about pulmonary embolism					
15.40-16.00	COFFEE / EXHIBITION					
16.00-17.30	Plenary Session Abstract or case presentation (Young Interventionalist) Moderators: Rikard Linder, Kristin Angel, Berglind Libungan, Ashkan Eftekhari and Samuli Jaakkola	16.00-17.15	Nurse Session Controversies Moderators: Pernille Palm, Lene Moody To treat or not to treat, The difficult patient Stine Ringstrøm			
	Case report: "Transient coronary microvascular dys- function in severe sepsis with myocardial injury" Jonas Perrson. Karolinska Institutet		Managing coronary perforation Petronella Torild & Gunilla Friberg			
	Abstract: Early Accurate Prime Registry – first 100 patients		The conflict between ideals and reality in the cath lab Maiken Dahl Jensen & Helle Pedersen Held			
	Rickard Linder, Karolinska Institutet Case report: "Combined Extracorporeal Membrane Oxygenation and Mechanical Thrombectomy for Out-of-Hospital Cardiac Arrest Due to Pulmonary Embolism" Liyew Desta, Karolinska Institutet		Motivation and focus during procedures Friðrika Alda Sigvaldadóttir			
	Global ischemia with normal imaging. The importance of bedside cardiology. Teitur Ari Theodórsson					
19.00-	Dinner *Not included in the conference fee, pre-regi	stration is requi	ired			

Thank you to our Gold Sponsors!

11th Nordic Invasive Cardiology Conference Program 2025 (Preliminary program)

	Tuesday January 21st				
08.00-08.45	NICC Board meeting				
09.00-10.30	Plenary Session Controversies in invasive cardiology: Pro et Con: Moderators: Christian Juhl Terkelsen, Tuomas Rissannen, Christian Eek, Magnus Settergren, Geir Hirleka Lecture room: Skt. Hans Torv				
	CTO PCI still indicated in 2025? Pro: Evald Hoej Christiansen Con: Christian Eek				
	TAVI vs SAVR below 75 years, Pro: Kristoffer Russell Con: Lars Riber				
	DCB for de novo lesions. Pro: Tuomas Rissannen Con: Karsten Veien				
	Revascularization for elderly patients with NSTEMI. Pro: Erlend Sture Berg Con: Geir Hirlekar				
	Is invasive testing for microvascular dysfunction necessary? Pro: Jonas Persson Con: David Erlinge				
10.30-11.00	COFFEE / EXHIBITION				
	Lecture room: Skt. Hans Torv				
11.00-12.30	Structural Interventions				
	Moderators: Magnus Settergren, Karsten Veien, Erik Packer, Ingibjörg Jóna Gudmundsdóttir				
	LAAO 2025 (recorded case from Aarhus University Hospital) Jens Erik Nielsen-Kudsk				
	Will RESHAPE-HF2 and Matterhorn changes practice? Per Wierup/ Erik Packer/ Karsten Veien				
	Tricuspid intervensions in 2025 Magnus Settergren				
	Complex mitral intervention (recorded case from Aalborg University Hospital) Phillip Freeman				
12.30-13.30	LUNCH / EXHIBITION				
13.30-14.45	Plenary Session Nightmare cases (Structural and PCI)				
14.45-15.00	Closing remarks and NICC 2026 - See you next year!				

Thank you to our Silver Sponsors and Exhibitors!
