

IVC-21

July 1st-5th, 2019 Malmö Sweden

Sponsorship & Exhibition
Opportunities

Welcome

We are delighted to invite you to participate at the IVC-21 to be held at the Clarion Hotel & Congress Malmö Live, from July 1st - 5th, 2019.

The Conference is a premier opportunity for you.

We expect approximately 1500 - 1800 delegates to join us in Malmö to learn about the latest developments in the field, providing a perfect opportunity for you to promote new and innovative technologies, products and services.

We are thrilled to invite you to attend the 21st IVC Conference where advanced technology and materials research meet challenges in basic science as well as in industrial applications.

IVC has an almost 60 years long history of being one of the worlds most recognized conferences and the meeting place where the most recent advances in science and technology are presented and discussed.

IVC-21 will be held in Malmö in southern Sweden, a region internationally known for its strong research and industrial base in Material Science, Nanoscience and Nanotechnology, Telecommunication and Life Science.

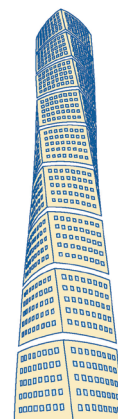

Malmö is located in the heart of the Greater Copenhagen Area and close to the Copenhagen International Airport which is only 20 min away from the conference site using the commuter train. Malmö is also located 10 min from Lund with its famous University and the large-scale research facilities, the synchrotron source MAX IV and the European neutron spallation source ESS.

The IVC-21 will follow the tradition of previous IVC conferences with a broad programme, exhibitions and courses, but we will put an emphasis on Material Science, Nanotechnology, Biotechnology and Life Science and Science based on Large Scale Infrastructures.

We are looking forward to welcoming you to Malmö, Sweden 1st-5th July 2019!

We hope you will join us for a great event.

The committee for IVC-21

Why sponsor IVC-21

Industry Partnership is at the heart of this event

Our sponsorship package have been carefully shaped to meet the commercial imperative of our industry partners. We understand your needs and how to meet them whilst adding value to the experience enjoyed by our delegates.

Involvement in IVC-21 is all about building brand awareness

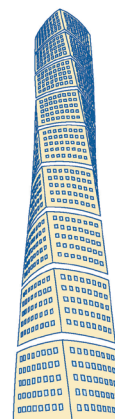

Our exhibition hall is positioned to capture maximum customer engagement during the tea & coffee breaks and poster viewing sessions. there are a range of opportunities to suite every budget, keeping your brand front of mind with delegates. Sponsors will also benefit from enhanced brand exposure in web and printed collateral, before during and after the event.

Meet new contacts and strengthen key relationships

Maximising network opportunities for our delegate is an important priority. we work hard to provide places for formal and informal networking. Dedicated meeting spaces include an integrated exhibition hall where all refreshments will be served.

Exhibition Organiser and Congress Secretariat MKON AB is appointed the official Professional Conference Organiser for this Congress and will handle all the contacts regarding the exhibition and sponsorship. Please visit the website www.ivc21.com for further information and details about the exhibition and sponsor opportunities. MKON offers special hotel room rates at the Venue. Further information can be found on the website.

You are more than welcome to contact MKON, Åsa Eklund, Project Manager ivc21@mkon.se or by phone: +46 731 531 531
