

NECTM9

Northern European Conference on Travel Medicine

Denmark Copenhagen May 22-24

Preliminary Scientific Program

-To travel is to live-

NECTM9

Preliminary program for NECTM9 2024 - Wednesday May 22nd

WEDNESDAY MAY 22nd

Time	Tivoli Congress Hall	Time	Pjerrot	Time	Lumbye
11.00 12.30	Registration				
12.30 13.15	Lunch Symposium - Industry sponsored session please read more under: programme/Industry symposium (pre-registrations only)				
13.30 14.00	Opening Session Chairs: Camilla Holten Møller & Anders Koch Welcome and introduction <i>Carsten Schade Larsen</i> The Hans Christian Andersen Parade				
14.00 14.30	From pandemics to parasites: Ancient DNA perspectives on humans and their pathogens <i>Hannes Schroeder</i>				
14.30 15.00	The transition from pandemic to endemic transmission <i>Kåre Mølbak</i>				
15.00 15.30	Coffee Break in the Exhibition Hall & Poster Exhibition				
15.30 16.15	Plenary Session Chairs: Helena Askling & Anu Kantele To travel is to live: Reflections on the health benefits of travel <i>Gerard Flaherty</i>				
16.15 17.00	Vaccination against Dengue fever <i>Hanna Nohynek</i>				
17.00 17.30	Walk to Copenhagen City Hall				
17.30 19.30	Welcome reception at Copenhagen City Hall				
		19.30	Dinner for Nurses at Tivoli Hotel - Industry sponsored session please read more under: programme/Nurse reception (pre-registrations only)		

Preliminary program for NECTM9 2024 - Thursday May 23rd

THURSDAY MAY 23rd

Time	Tivoli Congress Hall	Time	Pjerrot	Time	Lumbye
07.30 08.15	Breakfast Symposium - Industry sponsored session please read more under: programme/Industry symposium (pre-registrations only)				
08.30 09.00	Theatre of death Chair: Anders Koch <i>Klaus Larsen</i>	08.20 09.00	Welcome <i>Organizing committee</i> 08.30-09.00 Vaccine-preventable diseases and vaccination from a historical perspective <i>Lone Simonsen</i>	08.30 09.00	Meet-the-expert Rabies Chair: Steen Villumsen <i>Philippe Gauttret</i>
09.00 10.30	Travel and Climate Change Chairs: Tomas Jelinek & Gerard Flaherty 09.00-09.45 Climate change and travel <i>Sebastian Mernild</i> 09.45-10.30 Climate change and arboviruses <i>Ralph Huits</i>	09.00 10.30	ESCMID Study Group on vaccines 09.00-09.30 Fundamentals of the immunological response to vaccines <i>Carsten Schade Larsen</i> 09.30-10.00 Immunoprophylaxis <i>Ligita Jancorinee</i> 10.00-10.30 New vaccine platforms and vaccines in the pipeline <i>Camilla Foged</i>	09.00 10.30	Shit happens Chairs: Patrick Soentjes & Carsten Koehler 09.00-09.30 Travelers diarrhoea <i>Anu Kantele</i> 09.30-10.00 Enteric fevers <i>Katja de Jong</i> 10.00-10.30 Intestinal protozoa <i>Thomas Weitzel</i>
10.30 11.00	Coffee Break in the Exhibition Hall & Poster Exhibition				
11.00 12.30	Workshop sustainable travel Chairs: Vanessa Field & George Kassianos 11.00-11.30 Addressing environmental issues, Destination management and local impacts, Respecting human rights, Managing animal welfare Presentation and discussion <i>Susan Deer</i>	11.00 12.30	ESCMID Study Group on Vaccines 11.00-11.30 RSV burden and vaccines <i>Natalia Mazur</i> 11.30-12.00 Influenza vaccines <i>Monika Kuliiese</i> 12.00-12.30 Vaccines against vector-borne diseases: malaria, dengue, zika and chikungunya <i>Tomas Jelinek</i>	11.00 12.30	Tick-borne diseases Chairs: Gunnar Hasle & Joseph Sim 11.00-11.30 Climate change and tick-borne diseases <i>Sigurdur Skarphedinsson</i> 11.30-12.00 Tick-borne encephalitis (TBE) <i>Gerhard Dobler</i> 12.00-12.30 Rickettsioses in travelers <i>Philippe Parola</i>
12.30 14.00	Lunch Symposium - Industry sponsored session please read more under: programme/Industry symposium (pre-registrations only)				
14.00 15.30	Emerging Infections Chairs: Eskild Petersen & Dipti Patel 14.00-14.30 Understanding emerging pathogens - what did we learn about Mpox? <i>Ashley Otter</i> 14.30-15.00 Influenza and COVID-19 <i>Lone Simonsen</i> 15.00-15.30 Emerging Infections in the Middle East with focus on (CCHF) <i>Seif Al Abri</i>	14.00 15.30	ESCMID Study Group on Vaccines 14.00-14.30 Immunological aspects of co-administration of vaccines in adulthood <i>Omid Reza Hosseini</i> 14.30-15.00 Immunological aspects of vaccination of special populations: Immunocompromised and pregnant persons <i>Olivier Epaulard</i> 15.00-15.30 Chlamydia trachomatis vaccine development <i>Alvaro Borges</i>	14.00 15.30	Symposium for Nurses I Chairs: Sandra Grieve and Patricia Brady 14.00-14.30 Risk assessment in travelers <i>Kath Lynch</i> 14.30-15.00 Special risk groups: Backpackers, VFR <i>Liën van Ooijen</i> 15.00-15.30 Cruiseships/Shipnurses and senior travelers <i>Carole Tracey</i>
15.30 16.00	Coffee Break in the Exhibition Hall & Poster Exhibition				

Continue program for NECTM9 2024 - Thursday May 23rd

THURSDAY MAY 23rd

Time	Tivoli Congress Hall	Time	Pjerrot	Time	Lumbye
16.00 - 17.30	<p>Free Communication I Chairs: Martin Grobusch & Anders Koch</p> <p>16.00-16.15 Positive phase 3 immunogenicity and safety results for a chikungunya virus (CHIKV) virus-like particle (VLP) based vaccine in older adults</p> <p>16.15-16.30 Two-year antibody persistence and safety of a single-dose live-attenuated chikungunya virus vaccine (VLA1553) in adults aged 18 years and above</p> <p>16.30-16.45 No evidence for ONNV or MAYV infections in returning travelers diagnosed in Belgium, from 2006-2023: a retrospective study</p> <p>16.45-17.00 Efficacy and safety of Butantan-DV live, attenuated tetravalent dengue vaccine from a phase 3 clinical trial in children, adolescents, and adults</p> <p>17.00-17.15 Tolerability of the Dengue Vaccine Qdenga® in German Travellers: a prospective survey</p> <p>17.15-17.30 First clinical experiences with the Qdenga® vaccine in Germany: a multicentric TravelMedVac study</p>	16.00 - 17.30	<p>ESCMID Study Group on Vaccines</p> <p>16.00-16.30 Specific vaccines against HIV and emerging viral infections <i>Anders Fomsgaard</i></p> <p>16.30-17.00 Second generation Tuberculosis vaccines <i>Simone Joosten</i></p> <p>17.00-17.30 Evaluation</p>	16.00 - 17.30	<p>Symposium for Nurses II Chairs: Jelle Doosje and Liën van Ooijen</p> <p>16.00-16.30 Yellow fever training program England, Wales and Northern Ireland <i>Lynda Bramham</i></p> <p>16.30-17.00 Malaria chemoprophylaxis in the travel clinics <i>Frederike Nederlof</i></p> <p>17.00-17.30 How to communicate risk in travelers <i>Jane Chiodini</i></p>
17.30 - 18.15	<p>Afternoon Symposium - Industry sponsored session please read more under: programme/Industry symposium (pre-registrations only)</p>				
18.35 - 19.30	<p>Copenhagen Canal Cruise</p>				
19.45	<p>Conference Dinner Tivoli Hotel and Congress Center</p>				

Preliminary program for NECTM9 2024 - Friday May 24th

FRIDAY MAY 24th

Time	Tivoli Congress Hall	Time	Pjerrot	Time	Lumbye
07.30 - 08.15	Breakfast Symposium - Industry sponsored session please read more under: programme/Industry symposium (pre-registrations only)				
08.30 - 09.00	The year in travel medicin: Top ten papers Chair: Carsten Schade Larsen <i>Lin Chen</i>	08.30 - 09.00	Meet-the-expert: Leptospirosis Chair: Søs Holten <i>Steen Villumsen</i>	08.30 - 09.00	Meet-the-expert: Future travels Chair: Sanne Jespersen <i>Bugge Holm Hansen</i>
09.00 - 10.30	Whats new in malaria Chairs: Charlotta Zacharias & Carsten Schade Larsen 09.00-09.30 Malaria drugs <i>Patricia Schlagenhauf</i> 09.30-10.00 Malaria vaccines <i>Martin Grobusch</i> 10.00-10.30 Malaria prevention strategies for risk groups <i>Dipti Patel</i>	09.00 - 10.30	Travel to arctic and antarctic areas Chairs: Anders Koch & Ville Holmberg 09.00-09.30 Sustainable travel in Arctic areas <i>Carina Ren</i> 09.30-10.00 Infectious risks and vaccination in the Arctic <i>Anders Koch</i> 10.00-10.30 Cold and cold injuries: experiences from the Arctic and Antarctica <i>Nadja Albertsen</i>	09.00 - 10.30	EUMICT I Immunocompromised Chairs: Katja de Jong and Selwyn Lowe 09.00-09.30 Moderne concepts to improve immunization response, with focus on the germinal center response <i>Leo Visser</i> 09.30-10.00 Yellow fever vaccination in non-hiv infected immune compromised traveler and beyond <i>Jenny Schnyder</i> 10.00-10.30 Yellow fever vaccination of people living with HIV: duration of protection and need for a booster <i>Charlotte Martin</i>
10.30 - 11.00	Coffee Break in the Exhibition Hall & Poster Exhibition				
11.00 - 12.30	Mangement of natural and man-made disasters Chairs: Sanne Jespersen & Sam Allen 11.00-11.30 Preparing for worst-case-scenario <i>Rasmus Dahlberg</i> 11.30-12.00 Working in warzones <i>Ann McCarthy</i> 12.00-12.30 Natural disasters <i>Merete Engell</i>	11.00 - 12.30	Free communications II Chairs: Jelle Dosje & Søs Holten 11.00-11.15 Yellow fever vaccination hesitancy among precautionary groups in UK yellow fever centres <i>Natalia Rodriguez Valero</i> 11.15-11.30 Automated detection of chikungunya outbreaks through a novel Poisson CUSUM approach of GeoSentinel surveillance data <i>Stan Heidema</i> 11.30-11.45 Factors influencing the immunogenicity of rabies vaccines, evaluation of time effect over several decades: a literature review and meta-regression <i>Fernando Morelli</i> 11.45-12.00 Malaria risk perception and barriers for effective prophylaxis in the Sub-Saharan African VFR traveller community in Hamburg, Germany <i>Marabelle Nana Essandoh</i> 12.00-12.15 Bites and Bytes : digital surveillance of illness in travellers using the ITIT app <i>Nadja Hedrich</i> 12.15-12.30 Travel to low- and middle-income countries is associated with increased risk of ineffective empiric antibiotic therapy for urinary tract infection <i>Anu Patjas</i>	11.00 - 12.30	EUMICT II Immunocompromised Chairs: Martin Grobusch and Selwyn Lowe 11.00-11.30 Measles, mumps, Rubella (MMR) vaccination in the immune compromised traveller and host <i>Micha Loebermann</i> 11.30-12.00 Infectious diseases hazards from xeno-transplantation <i>Andrea Boggild</i> 12.00-12.15 Challenges of Tuberculosis Diagnostics in children and potential of the TAM-TB Assay <i>Peter Hoecker</i> 12.15-12.30 Yellow-Fever-related queries to the UK's national pre-travel advice line, 2019-2023: rising clinical complexity, and a growing role for pharmacies <i>Trent Herdman</i>

Continue program for NECTM9 2024 - Friday May 24th

12.30 - 14.00	Lunch Symposium - Industry sponsored session please read more under: programme/Industry symposium (pre-registrations only)				
Time	Tivoli Congress Hall	Time	Pjerrot	Time	Lumbye
14.00 - 15.30	<p>Aint no mountain high enough, Aint no river wide enough, Aint no valley low enough Chairs: Steen Villumsen & Peter Krebs</p> <p>14.00-14.30 Acute mountain sickness <i>Tomas Jelinek</i></p> <p>14.30-15.00 Fit-to-dive <i>Erik Christian Jansen</i></p> <p>15.00-15.30 Fit-for-travel <i>Steffen Friis</i></p>	14.00 - 15.30	<p>Migrant Health Session co-organised by ESCMID Study Group on Infections in Travelers and Migrants (ESGITM) Chairs: Christian Morberg Wejse & Zitta Barrella Harboe</p> <p>14.00-14.30 Clinical decision support systems to increase the detection of infections and other conditions in migrants <i>Ana Requena Méndez</i></p> <p>14.30-15.00 When to screen and what to screen for in migrants and refugees <i>Anne Mette Fløe Hvass</i></p> <p>15.00-15.30 Neurocysticercosis and Trypanosoma cruzi in migrants to Europe <i>Peter Chiodini</i></p>	14.00 - 15.30	<p>Schistosomiasis Chairs: Mike Zangenberg & Birgitte Vennervald</p> <p>14.00-14.30 Schistosomiasis in travelers - What are the symptoms and how to treat <i>Mike Zangenberg</i></p> <p>14.30-15.00 Schistosomiasis in travelers - Diagnostic options who, when and how to test? <i>Henrik Vedel Nielsen</i></p> <p>15.00-15.30 Schistosomiasis as an emerging disease? - future scenarios in a warming world <i>Anna-Sofie Stensgaard</i></p>
15.30 - 16.00	<p>Closing NECTM9 2024 and prizes Looking forward to NECTM10</p>				

FRIDAY MAY 24th
