

Nationellt kardiologiskt forskarmöte

22-24 oktober, 2025

Ledare: Joanna Hlebowicz & Jan Nilsson

Onsdag, 22:e oktober

12:00-13:00	Drop in Lunch	
13:00-13:15	Välkomna!!	Adj Professor Joanna Hlebowicz Professor Jan Nilsson
Ischemisk hjärtsjukdom		
Moderator: Professor Jan Nilsson		
13:15-14:00	R-RCT – registerbaserade randomiserade kliniska prövningar.	Professor Stefan James
14:00-14:30	Thermodilution derived coronary flow indices in relation to major adverse cardiovascular events - the Swedish Registry of CORonary FLOW (SWECORFLOW)	Rozh Kader
14:30-15:00	DCB-PCI efter AKS	Anton Håkansson
15:00-16:00	Kaffepaus/In-checkning	
15:30-16:30	Grupp 1	
17:00-18:30	Grupp 2	
18:30	Middag	

Torsdag, 23:e oktober

7:00-9:00	<i>Frukost</i>	
9:00-9:30	Att ansöka om forskningsmedel	Professor Bengt Johansson
Hjärtsvikt		
Moderator: Professor Bengt Johansson		
09:30-10:00	HFpEF diagnostics and emerging therapies	<i>Edit Floderer-Nagy</i>
10:00-10:30	Cognition in heart failure patients with malnutrition – a study of nutritional risk index and it's association to cognitive performance	<i>Alexander Yaghoubi</i>
10:30-11:15	<i>Kaffepaus</i>	
11:15-12:00	Från innovation till patient	Professor Jan Nilsson
12:00-13:30	<i>Lunch</i>	
Medfödda hjärtfel och vitier		
Moderator: John Molvin		
13:30-14:00	Muscle mass and sarcopenia in adults with congenital heart disease older than 40 years	<i>Yusuf Baroudi</i>
14:00-14:30	Cardiovascular and obstetric outcomes in women with congenital heart disease	<i>Ellen Widing</i>
14:30-15:00	<i>Kaffepaus</i>	
15:00-15:30	TAVI - Past, present and future: Optimizing treatment for severe aortic stenosis	<i>Johannes Tödt</i>
15:00-16:00	The rapid evolution of cardiovascular outcomes in type 2 diabetes: lessons from SGLT2i and GLP-1 RA trials and personal experience from research on diabetes and myocardial infarction since 1995	Professor Anna Norhammar
18:30	<i>Middag</i>	

Fredag, 24:e oktober

7:00-8:00		<i>Frukost</i>
8:30-9:15	AI:s roll i framtidens kardiologi	<i>Professor Markus Lingman</i>
Arytmi & Prevention Moderator: Professor Markus Lingman		
9:15-9:45	Rytmdiagnostik med smartphone PPG	<i>Jonatan Fernstad</i>
9:45-10:15	Risk stratification in concealed long QT syndrome	<i>Aleksei Savelev</i>
10:15-10:45	Real-time noninvasive cardiac mapping in atrial fibrillation	<i>Christine Mannewald</i>
10:45-11:30	Avrundande diskussion	<i>Professor Anna Norhammar</i> <i>Adj Professor Joanna Hlebowicz</i>
11:30-12:30		<i>Lunch och avslut</i>
